

Whole-Home Decarbonization Programs

John Balfe, NEEP

Northeast Energy Efficiency Partnerships

“Assist the Northeast and Mid-Atlantic region to reduce building sector energy consumption 3% per year and carbon emissions 40% by 2030 (relative to 2001)”

Mission

We seek to accelerate regional collaboration to promote advanced energy efficiency and related solutions in homes, buildings, industry, and communities.

Vision

We envision the region's homes, buildings, and communities transformed into efficient, affordable, low-carbon, resilient places to live, work, and play.

Approach

Drive market transformation regionally by fostering collaboration and innovation, developing tools, and disseminating knowledge

What is a “Whole-Home Decarbonization” Program?

Upgrades Including:

Efficiency

Electrification

Weatherization

Renewables

Programmatic Considerations:

Equity

Workforce

Financial Assistance

Centralization
